COMPREHENSION

MONSTRES en classe

Ecouter et comprendre des mots

en lien avec les évaluations nationales de septembre

OBJECTIFS

- Retour sur les évaluations nationales
- Avoir une écoute fine et active
- Prendre conscience que des mots peuvent se ressembler à l'oreille et avoir des sens différents
- Prendre conscience que certains mots nous sont inconnus, et être capable de signaler quand on ne comprend pas
- Découvrir et mémoriser des mots (et leur sens)

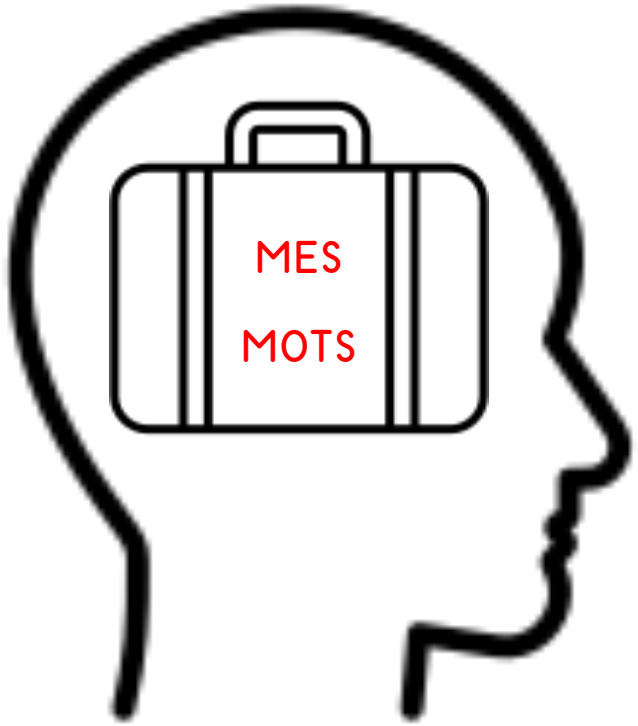
Technique pour signaler les mots inconnus (n'importe quand)

Dès que tu entends un mot que tu ne connais pas,
sans bruit, sans interrompre.

Découvrir le bagage lexical



Plus tu demandes, plus tu augmentes ton bagage de mots,
et mieux tu comprendras, mieux tu parleras...
